

Technical drawing of a rectangular frame assembly, showing a top view and a side cross-section view.

Top View:

- The frame is composed of four L-shaped profiles, labeled **L80/80/8**.
- The overall width is **1509** mm.
- The overall height is **1324** mm.
- The inner opening width is **1349** mm.
- The inner opening height is **1164** mm.
- The frame is mounted on a base plate labeled **TRAP. PL. v.cca50 mm, tl.0,8 mm**.

Side Cross-Section View:

- The side view shows the profile of the L80/80/8 frame and the base plate.
- The total width of the assembly is **1385** mm.
- The width of the base plate is **1333** mm.
- The side view also shows the **L80/80/8** profile and the **TRAP. PL.** label.

Technical drawing of a window frame showing two cross-sections. The left section shows a frame with a height of 1128 mm and a width of 1200 mm. The right section shows a frame with a height of 1128 mm and a width of 1200 mm. The drawing includes dimensions for the frame thickness (36 mm), the distance between the frame and the glass (116 mm), and the distance between the frame and the glass (116 mm). The drawing also shows the frame profile (L80/80/8) and the glass (65 mm). The drawing is labeled with 'ZADAVATEL UMOŽŇUJE POUŽITÍ I JIN' at the bottom.
